Dear School Council,

Congratulations on being appointed as your class representatives for this year. You should already be proud of this achievement and I am sure the out-going councillors will support you in your roles.

I know from your posters you have plenty of ideas about how you can help to make our school an even better place for everyone and I am sure you are keen to make a start.

I would like to ask you if you could work on the following projects first.

1. Find out from your classes what they would like as attendance prizes - would they like to move to a smaller weekly prize so more children benefit?
2. Create and share a Safeguarding poster for pupils
3. Collect ideas for revising our prizes for star awards - golden time or visits/special activities instead of toys

I am certain you will have many ideas of your own and look forward to watching your progress over the year. Please send a representative to arrange a meeting with me very soon.

Once again, well done for being elected.

Yours sincerely,

Miss S. Gardiner
